School Mission and Goals

Our mission is to provide a safe and quality learning environment for every student. We accomplish this by putting outstanding educators in every classroom, developing a partnership with our parents and community to take part in our students education, and by differentiating the instruction to meet the individual needs of every student. Our goals for the 2008-09 school year will focus on the implementation of a Personal Education Plan for every student. This plan will focus on differentiating

On Campus Incidents 9

Most of our reportable incidents were due to threats by younger students (primary grades). These students sometimes say things without thinking or understanding the ramifications of what they say. We continue to educate students of what is acceptable in school and to hold them accountable. We utilize the Character Counts program in our school to promote a safe and healthy learning environment. We also work close with our parents in teaching students acceptable behavior.
